

Decision 3 (II). Structure of the organization

The International Tropical Timber Council,

Having considered the work-load of the secretariat, the staffing situation and the present financial situation of the International Tropical Timber Organization,

Decides:

1. To establish, in addition to the approved professional staff posts up to and including D.1 level, two professional posts, a Finance Manager (at P.4 level), and one Statistician (at P.4/P.5 level), subject to availability of appropriate funds;
2. To review the staffing situation at the next session of the Council.
