DATE/TIME: Friday, 8 March 2019
13:00-13:30 (Registration), 13:30 (Opening) – 16:30 (Closing)

VENUE: TKP Toranomon Station Conference Center Hall 2A
2nd Floor NT Toranomon Building
1-4-3, Toranomon
Minato-ku, Tokyo 105-0001
<https://www.kashikaigishitsu.net/facilitys/cc-toranomon-ekimae/access/>

The Japan Forestry Agency is developing the Clean Wood Navi website to provide information to wood-related business entities under the Clean Wood Act on laws and regulations applying to production and trade of timber in key exporting countries. ITTO has compiled relevant information for five tropical countries to be included in the Clean Wood Navi site. The research findings will be reported at this seminar.

NOTE: This seminar will be conducted in Japanese and no interpretation will be provided.
