3 pm

**Organization of groups**

**Themes for working groups:** Perspectives on Community and Family Forest Management, involving public policies; Institutional innovation and local development with the participation of local communities; and Territory Protection: a government and society commitment.

*Note: os resultados são importantes para o fortalecimento do Manejo Florestal Sustentável Comunitário e Familiar compromissados na Conservação da Diversidade Biológica e na Proteção do Território, assegurando assim o bem-estar e bem viver das comunidades tradicionais, hoje e sempre.*

**WG1- Organizational strengthening, management and protection of territories**

(Community organizations, associations and cooperatives, territorial management and protection.)

**WG 2- Knowledge about the forest and its productive potential** (forest inventory, managed species, computational tools, etc.)

**WG3: CFSFM organizational arrangements in UCs – Resex Verde para Sempre** field workforce between: (i) community; (ii) government authority (ICMBio); (iii) timber company as service provider (e.g. extraction and purchase of forestry, etc.; and (iv) technical managers (forestry engineering assistance).

**WG4 – Communication and outreach** (Actions and production of diverse content to understand and reach information with different focus groups)

*Note: Gender Equality and Youth themes are transversal to all WGs*

*WGs work until 6pm*

## Day 3 – 03/21/2024 (Thursday) – INTERNATIONAL DAY OF FORESTS

<b>8:30 am</b>	<b>Continuity of Working Groups' activities</b>
<b>10 am</b>	<b>Break: 15 minutes</b>
<b>10:15 am</b>	<b>Presentation of WG results (10 minutes per group). Collaborations, suggestions and clarifications</b>
<b>12 pm</b>	<b>Closing event</b>
<b>12:30 pm</b>	<b>Lunch</b>

---

### Organizing Team:

#### **Comitê de Desenvolvimento Sustentável de Porto de Moz – CDS**

Agostinho Filho Tenório da Silva  
Cristiana Martins Braga  
Emanoel Ferreira Magalhães  
Geudecea Alves dos Santos  
Jovenilde Braz Ferreira Ribeiro

#### **Instituto Chico Mendes de Conservação da Biodiversidade**

Edilene Duarte – Agente Ambiental do ICMBIO  
Flávia Ranara da Silva e Silva, Chefe de Unidade de Conservação, Reserva Extrativista Verde Para Sempre, ICMBIO

#### **Fundação Instituto Para o Desenvolvimento da Amazônia – FIDESA**

Edilce Almeida, FIDESA  
Francimary Barros Mendonça Lima, FIDESA

#### **Embrapa Amazônia Oriental**

Ana Laura Lima  
Fabricio Ferreira  
Milton Kanashiro  
Sabrina Gaspar  
Sandra Holanda

#### **Projeto Bom Manejo 2/FIDESA**

Ian Gustavo Sacramento dos Santos  
Maxmillian Steinbrenner

#### **Universidade Federal do Pará – Faculdade de Comunicação e Programa de Pós- Graduação Comunicação, Cultura e Amazônia –UFPA/FACOM/PPGCOM**

Rosane M. Albino Steinbrenner

### Institutional Acknowledgments

International Tropical Timber Organization – ITTO  
Government of Japan  
Brazilian Cooperation Agency, Ministry of Foreign Affairs – ABC/ MRE  
Department of Forests, in the Secretariat of Biodiversity, Forests and Animal Rights, Ministry of Environment and Climate Change – DFLO/SBIO/ MMA  
Coordination of Sustainable Production and Use, linked to the General Coordination of Traditional Populations, of the Chico Mendes Institute of Biodiversity – COPROD/CGPT/DISAT/ ICMBio /MMA  
Community and Family Forest Management Coordination, Brazilian Forest Service, Ministry of Environment and Climate Change – CMFCF/SFB/MMA  
Agribusiness Coordination – PRONAF Analysis of COSAGI/GESET Technical Services Management of Banco da Amazônia

Bioeconomy Directorate, German Agency for International Cooperation – GIZ Brasil  
 Secretariat of Family Agriculture of the State of Pará – SEAF-PA  
 Federal University of Pará – UFPA Altamira Campus.  
 Federal University of Pará – Faculty of Communication and Postgraduate Program Communication,  
 Culture and Amazon –UFPA/FACOM/PPGCOM  
 Fundação Instituto Para o Desenvolvimento da Amazônia – FIDESA  
 Program for the Endorsement of Forestry Certification and the International Tropical Timber Technical  
 Association (PEFC and ATIBT)  
 Brazilian Association of Forestry Concessionary Companies – Confloresta  
 Institute of Agricultural Management and Certification – Imaflora  
 Tropical Forest Institute – IFT  
 International Institute of Education of Brazil – IEB  
 Beraca Institute of Valuing Sociobiodiversity  
 Interelos Institute  
 Dendrolog Sustainable Projects LTDA  
 Association of the Amazon Forest Production Chain – Unifloresta  
 Porto de Moz City Hall
